

GREEN DENTISTRY CONFERENCE | 2013

POWERED BY THE ECO DENTISTRY ASSOCIATION®

High Time for High Tech

Speakers: Drs. Marty Jablow, Paul Feuerstein, John Flucke

Online Webinar
1 CE credit

Course Overview:

The “High-Time for High-Tech” webinar will focus on the future and the latest developments of dental technology innovation. Through an engaging Q&A sessions, our panel of dental technology questions resolve your questions on smart devices, cloud computing, diagnostic software, successful dental office business models of the future and much more. This presentation will help dentists, practice managers and industry professionals get the most out technology investments and learn about new innovations that will make the practice even more profitable and more environmentally sound.

Participants of this webinar will:

- Learn about the environmental benefits of digital dental technology
- Learn about the financial advantages of using high technology in the dental office
- Expand their knowledge on advanced dental technology
- Learn about new technologies on the horizon

This webinar is a recording of a live recording of a presentation at the 2013 Green Dentistry Conference.

Speaker Bios:

Dr. Flucke's passion is technology and he is always looking for the latest development to benefit his patients. His knowledge on technology makes him a frequent lecturer at major dental educational events, contributing editor to dental publications, and an internationally recognized opinion leader.

Martin Jablow, DMD is a clinician, speaker and author. He presents and publishes worldwide on many topics, including state of the art dental technology and dental materials. His recurring columns can be found on DrBicuspid.com and Dental-LearningHub.com's Apex Magazine. Dr. Jablow is president of Dental Technology Solutions a lecture and consulting company. He is an active member of the ADA, NJDA, Middlesex County Dental Association and has achieved Fellowships in the AGD and International Academy of Dental Facial Esthetics. Dr. Jablow serves on the Dentalcompare CE Advisory Board along with the Eco-Dentistry Association Advisory Board. For over 20 years, he has been a member of his local peer review and was an attending at the JFK Medical Center in Edison NJ, where he worked with patients and trained residents.

Dr. Paul Feuerstein graduated from the New Jersey College of Medicine and Dentistry in 1972. He received his B.S. at SUNY Stony Brook in 1968 during the '60s studying chemistry, engineering, computer science and music. Today, in addition to continuing to practice dentistry, Dr. Feuerstein serves as a consultant to the dental profession, and is a lecturer to dental associations on technology-related topics. He has been the Technology Editor of Dental Economics for over 10 years. He was named Clinician of the Year at the 2010 Yankee Dental Congress and is an Adjunct Assistant Professor in General Dentistry at Tufts University.

Disclosure:

Dr. Flucke declares that neither he nor any member of his family have a financial arrangement or affiliation with any corporate organization offering financial support or grant monies for this continuing dental education program.

Dr. Jablow has received an honorarium from AMD Lasers and Triodent.

Dr. Feuerstein declares that neither he nor any member of his family have a financial arrangement or affiliation with any corporate organization offering financial support or grant monies for this continuing dental education program.
